R7xi Recumbent Cycle

Intuitive App Interface

The 7xi's touch interface was thoughtfully designed for fitness. Its clean Home screen is the easiest way users can access content. From built-in social media apps to Virtual Active to on-demand TV and video, engaging content is just a touch away.

Hardware. Software. The Experience.

Matrix creates it all. Users completing Virtual Active workouts hear ambient noises and feel incline changes as the terrain changes. They can post their workout data to social profiles with a single touch for a truly integrated experience.
